**Subject:** Forwarding of LPC Cum Data Sheets for revision of various types of pensionary awards. Filling up of updated PDA details.

As per existing practice only effected columns in cage - II of data sheet (Rev.) for Corrigendum are filled while proposing amendments/revisions of pensionary awards notified earlier on Computer. All other columns are left blank. However, it has been noticed that in certain cases, the concerned pensioner/family pensioner has changed his/her PDA resulting in non-payment/delay in payment of revised entitlement.

Now it has been decided that updated PDA details should mandatorily be filled in LPC-Cum data sheet before initiating claims for Corrigendum PPOs. No claim for issue of Corrigendum PPOs shall be entertained without current PDA details and Pensioner address.
